

Edge-Series Cabinet Accessories

High-Density Organization

The [Edge-Series Cabinet Accessories](#) are compatible with the Edge-Series cabinet product line to provide high-density cable, air and mounting solutions for devices commonly found in PoE, IoT and edge-computing applications. The Revi-Ring™ (patent pending) vertical cable managers are field reversible to provide the maximum cabinet mounting rail space while organizing network and power cables in compact cabinets.

Benefits

Supports Larger Equipment	Revi-Ring™ vertical cable managers are field reversible for max equipment mounting space
Reliable Operation	High-density cable and air management for greater equipment performance
Greater Security	Castors, feet and wall mounting hardware support room or cabinet-level security
Maximum Organization	High density cable management for organizing network and power cables
Office Friendly	Low-noise fans suitable for conference rooms and offices
Greater Access	0U mounting for easy access and maintenance of non-EIA equipment
Greater Airflow	High-capacity fans and isolation accessories support higher-powered equipment
Flexible Mounting	Wall mounting kit, castors and mounting feet to place on the wall, floor or desktop
Greater RMU Capacity	0U mounting and shelving provide extra capacity for smaller devices

Greater Capacity

Revi-Ring™ Cable Managers Support Max Rail Depth

High-Flow, Low-Noise fans for High-Power Equipment

Greater Access

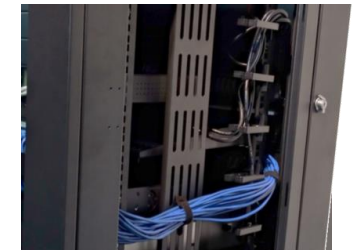

Castors and Feet for Flexible Mounting Options

Equipment Shelving for non-EIA Mounted Equipment

Best-in-Class Organization

Revi-Ring™ Cable Managers Support Max Cable Density

Vertical Lacing Brackets Provide 0U Device Mounting
