Vertical Wall Mount Cabinets

PRODUCT OVERVIEW

ArcTiv Vertical Wall Mount Cabinets provide low-profile mounting of large IT equipment suitable for back-office applications. Optional 2U equipment mounting brackets provide greater capacity in a compact design. Each cabinet supports:

- High density cable management solutions for CAT5, fiber and power cables.
- Low-profile mounting ideal for UPS and network switches in back-office environments
- Side-mounted fan holes

Benefits

Supports Larger Equipment	68kg load rating and 914mm depth suitable for large IT equipment
Reliable Operation	Fully-assembled, welded frame provides greater support
Greater Security	Locking door and access panel prevent unauthorized access
Maximum Organization	High density cable management for organizing network and power cables
Office Friendly	Attractive design and low-noise fans suitable for conference rooms and offices
Greater Access	Full swing door and access panel for simplified maintenance
Greater Airflow	High capacity fans and vented door support higher-powered equipment
Flexible Mounting	Low-profile wall mount design suitable for areas with confined spaces
Greater RMU Capacity	2U EIA mounting brackets for patch panels (top) and PDU mounting (bottom)

Low-Profile	Greater Capacity	Best-in-Class Organization
Vertical EIA Mounting	Locking Door and Access Panel	High-Density Cable Management
Full Equipment Access	Max Airflow	0U Equipment Mounting

RoHS | EIA Electronic Industries Alliance | CE

Vertical Wall Mount Cabinets

SPECIFICATIONS

Each Vertical Wall Mount Cabinet Includes:

- Welded frame cabinet
- 1 x locking hinged front door
- 1 x locking access panel (on top of front door)
- 2 x EIA adjustable mounting rails
- 2 x 2U EIA adjustable patch panel mounting rails
- 2 x 2U EIA PDU mounting rails (5U extended version)
- Wall mounting kit (pack of 4) and ground wires
- Cable management lacing loops
- Pack of 50 M6 screws and cage nuts
- Black powder coat paint (RAL9005)
- Carton packaging
- 1-Year manufacturer's warranty

Part No	Description
ATVWC2E	2U x 760mmW x 890mmH, 68kg, Vented Door
ATVWC2P	2U x 760mmW x 1235mmH, 68kg, Vented Door
ATVWC5E	5U x 760mmW x 890mmH, 68kg, Vented Door
ATVWC5P	5U x 760mmW x 1235mmH, 68kg, Vented Door, 2U PDU EIA Rails

On large orders, accessories can be factory-installed

Accessories (Select Models, Ordered Separately)

Horiz. Cable Managers

Horiz. Lacing Bar & Velcro Straps

Brush and Grommet

Low-Noise Fans

Light Equipment Shelf

LED Light

	Part No.	Description	Packaging
