Swing Gate Wall Mount Cabinets

ARCTIV™

[The Edge-Series Swing Gate Wall Mount Cabinets](#) support small severs, network switches, A/V equipment and devices commonly found in PoE, IoT and edge-computing applications. A full range of high-density accessories allow the maximum amount of equipment to be installed in a compact environment while maintaining proper cable and airflow management.

360°

Benefits

Supports Larger Equipment	90kg load rating and 650mm depth suitable for large IT equipment
Reliable Operation	Fully-assembled, welded frame provides greater support
Greater Security	Locking doors and side panels prevent unauthorized access
Maximum Organization	High density cable management for organizing network and power cables
Office Friendly	Attractive design and low-noise fans suitable for conference rooms and offices
Greater Access	360^0 equipment access via swing gate and removable side panels for easy maintenance
Greater Airflow	High-capacity fans and isolation accessories support higher-powered equipment
Flexible Mounting	Wall mounting kit, castors and mounting feet to place on the wall, floor or desktop
Greater RMU Capacity	4-post mounting rails and rear 2U mounting provide front and rear equipment installation

| Greater Capacity	Greater Access	Best-in-Class Organization
2U Swing-Gate Equipment Mounting	360^0 Access to Equipment	Revi-Ring™ Cable Management
Max Airflow for High-Power Equipment	Flexible Mounting Options	0U Equipment Mounting
